“ Audrey this is so terrible to say but it's better to say it verses not saying anything. First I'd like to say that I literally stumbled across Curtis's obituary. I had no idea that Curtis had died. I'm so sorry, embarrassed and regretful. I don't know what to say but I'm so sorry. I know it's late but you have our deepest and heartfelt sympathy. Much love Tommy and Jeannie Bowen

“ Dear Family of Curtis, I'm so very sorry. I was much older than Curtis and we didn't really know each other. I remember him as a cute, little boy and then I saw him at his work when I was home for a visit. My sister and brothers always said he was a good man. I can see by the photos that Curtis was a loving family man. I pray these memories will comfort you all in the days ahead. May he rest in peace.

“ My dad was also a beekeeper and he and Curtis spent many hours discussing their favorite hobby. He treasured Curtis' friendship and always looked forward to chatting with him over a cup of coffee. Dad has been in heaven for almost 15 years now and I imagine they have found each other by now and rekindled their friendship. My prayers for Audrey and the family that God will be near and grant you peace in the days ahead. May your memories of this great man comfort you. You will see him again.

“ Best boss that I ever had.....spent many of mornings waiting on the sunrise sitting in the office with curtis. I can just see him laughing now talking about somebody saying "he's a bird".... that was his favorite phrase. That man taught me so much! We couldn't start our work day until we had a morning devotional from the bible. Curtis read us atleast a page every morning. I'm forever thankful for everything he taught me and things I still hold onto today. I'll miss you curtis

“ I am so glad that God allowed Curtis and Audrey and children to be a part of our lives. I cannot tell you how many times Curtis was an inspiration to me and my family. His values and morals were of the caliber that we all should strive to have. I will never forget his worshipful attitude in the house of God. He was a true Christian and left no doubt about the way he lived his life and cared for his family. Your family has truly been blessed and I pray that God will continue to bless you in Curtis's absence and give you grace and comfort during this time. He is Marching Around The Throne and singing with the Angels. We will all join him one day. Hold on to that memory.

“ Curtis has been a blessing to us for a lot of years. I really enjoyed him as a teacher he talked us the word sometime a little humor but always serious about the message he was trying to get across. Truly a man of God. He will be missed so much. Praying for the family to get strength by trusting in God and asking his help. Ken and I will surely miss him. Love you all

“ Audrey and family, we were shocked to hear of Curtis' passing. We will miss seeing him as we all headed off to church on Sunday mornings. He was always smiling and waving. In the forty plus years as neighbors and seeing our children grow up together, we never saw him when he wasn't smiling! I read over the other posts before writing this- my, what wonderful testimonies about his Christian life and the influence he had on others. What a blessing to know that he is in a better place and that we will see him again!! May God bless and comfort you all as only He can. We will be unable to attend the service but our thoughts and prayers are with you all. Please let us know if we can be of help at any time. Gary Dale and Sandy Anderson
