“ Fatboy always knew how to make me laugh! Some times I went home with my ribs hurting from laughing so much! When I needed a shoulder to cry on or when I needed advice I turned to Fatboy and Scarlett. They just always knew what to say to lift my spirits and make it all better. During this difficult time I've got to see just how many people's life he touched. He was a good man and an amazing friend. Scarlett I will always be there for you...I know that's what Fatboy would want me to do. Even though I didn't know him long I feel blessed to have known him. He definitely left his mark on this world. Scarlett I hope you find comfort in knowing that! He is definitely missed

“ Fatboy was a very funny guy in my eyes.He always seemed to be the life of the party and center of attention which he definitely deserved.My son Lil Ronnie asked him one day when he came to visit us in Vegas what are you doing and he said "I'm chillin like a villain"and my son loves to say that phrase to this day.I know that he is going to be missed by many people and that he is loved and he loved his wife Scarlett deeply because that's all he would talk about....
Our condolences to Scarlett and the rest of the family.
RIP FATBOY
