“ To Mickie's family,

My heart grieves, as I know yours does as well. As you know, Mickie and I had been friends for over 40 years. She was part of our group of six. I will never forget the times we all shared. Such a loss for us all, but such a gain for Mickie. Now in the presence of her Lord, celebrating his goodness. We can hold on to her memory and look forward to being united again one day.

May the God of comfort lift you up through this most difficult time.

Much Love,
