“ Tina - I am so very sorry to see this. Karl was a friend from elementary school at East End. It was always good to see the two of you at Pete's on occassion. I know he fought the good fight. May you be surrounded by a peace that passes all understanding. My deep condolences. - Chris Blackston Clark

“ Brother I miss our random phone calls about everything and nothing. I will forever miss hearing you play your guitar and singing your favorite songs. Your humor and your practical jokes always made me smile. I'm grateful you are healed and you are singing at the foot of the throne but our pain continues because we miss you and love you forever.
