“ Alex and I dated for quite some time. There was one time where we wanted to surprise April (his mother) at work. We stopped and got her some flowers. She smiled so big when she saw us come off the elevator. He gave his mother the biggest hug. Alex always wanted to do things for the people he loved. He just had an amazing soul. I love you April. I am so sorry to hear about his passing. You will always have a place in my heart Alex.

*Love always,
Hunter*
