

Alice Inez Powell

November 7, 1934 - February 14, 2017

Mrs. Alice Inez Murphy Powell went home to be with our Lord and Savior on February 14, 2017. Mrs. Powell was born in Anderson, SC, and she was the late daughter of Mr. Jepta and Mrs. Maggie Murphy.

Survivors include two daughters; Toni Hall, of Liberty, Gail King, of Pelzer, three grandchildren; Lee James of Pelzer, Heather Madden of Easley, and Shana Madden of Pickens; one great-granddaughter Mia Walker. She was predeceased by her only son, Roger Stancil.

Mrs. Powell was pre-deceased to 11 siblings, and is survived by her last sister, Betty McClain.

Mrs. Powell knew her Lord and Savior Jesus Christ. Even though her death was unexpected, we as believers know that death is certain, as this world is only a temporary place! Since moving to her new residence in July she has been the happiest, worry free, fully waited on princess like she deserved. She lived a very hard life starting as a child. She physically labored on their farm as a child with all her brothers and sisters. When she was old enough to work on the farm, she quit school, which left her with very little education. She raised her children mostly alone, and she even went through losing one. She worked hard in mills to make ends meet, where she lost a lot of her hearing. She sacrificed a lot for herself to provide for her children. She also played a

large role in lives of her grandchildren. She was always saying something to make them laugh. She would never turn down a hotdog, as that was her favorite thing in this world with a Coke! Nanny loved Jesus and always talked of the day He was coming back! She will watch that day from the best view.

A gathering for friends and family to celebrate the life of Mrs. Alice Powell will be held Saturday February 18, 2017 at 11-12pm with a procession to follow for the funeral at the graveside at Hillcrest Memorial Park.

The family is at the home of Shana Madden, 200 Loch Lomond Dr. Pickens, SC 29671

“ I work 3rd shift at MasterCare. I had the pleasure of taking care of Alice. She knew I stayed up all night. She had a pink throw with hearts on it. She would tell me when she got up at night " wrap up in this and take you a nap. I won't tell nobody." I loved her and I will miss her dearly.

“ I work at another funeral home in the local area and I had the pleasure of getting to know Mrs. Powell when her sister passed away she and I went to the probate office and to the bank to get some things solved. She was a very sweet lady, and yes she seemed very devoted to her Grandson who was living with her at the time. I know she will be greatly missed, but glad she is in her Heavenly home with no more trials. I will be praying for the family.
