“ We weren't close but you always had a word of encouragement. And you always reached out with any help you could offer. You were always so open with what you were going through, and I've always thought that was so brave. It was inspiring, really. It's bittersweet to know you're at peace now. Sending love, thoughts, and prayers to your family. Rest easy, Amber.

“ Sweet girl. You did not deserve this. I wish you were still here with us. We are all struggling to come to terms with this. At least we know and can take comfort in the fact that you are finally with Harley, your fierce protector and side kick. You were the happiest person I ever knew.

Amber: You will be forever missed and never forgotten. I will always remember our endless conversations about Harley and Bella, and your love for all animals. You never judged and always had encouraging words for everyone. You made your mark in this world and now Heaven will be a lot brighter because it gained an one of a kind person. Until we meet again sweet girl, enjoy your time with your Harley to the fullest.
