December 5, 2012 - July 1, 2025

Ansley Payce Chappell  
Dacusville, South Carolina

Ansley Payce Chappell, age 12, went home to be with her Lord and Savior on Tuesday, July 1, 2025, at Prisma Health Children's Hospital, passing peacefully in her mama and daddy's arms.

Born on December 5, 2012, in Greenville, South Carolina, Payce was the beloved daughter of Ryan and Jade Chappell. Payce was the most kind, loving, and selfless child with the most beautiful soul. She loved Jesus and that showed throughout her everyday life. She found beauty in everything she saw and in every situation, good and bad. Payce touched more lives in her short time here than most do in a full lifetime.

When Payce wasn't playing volleyball, she loved all things outdoors. She loved to hunt, fish, work cows with her daddy, and spending her weekends at the lake with family and friends. She loved to spend her evenings at home beating her parents and sister in a game of "Payce" (aka "Horse"). Payce's jersey number was 26. She named the family farm "Two 6 Ranch". This number represented Payce's life. Her number will be known by many forever.

There won't be a minute that goes by that her family won't be thinking of her.

Payce loved big and showed the love of Jesus to all she encountered. Her legacy will continue on for years and years to come. She has touched lives all over and she would hope that through all the pain, that lost ones will find Jesus and join her in Heaven one day.

Survivors include her parents, Ryan and Jade Chappell of Dacusville; sister, Hayden Chappell of Dacusville; paternal grandparents, Roy and Sharon Chappell; maternal grandparents, Eddie and Susan Burgess; great-grandmothers, Jane Odom and Marie Chappell; aunts, Blonica Palmiotto (Paul), Toree Powers (Dylan), and Chanler Burgess; and cousins, Taylor, Brandon, M.J., Cash, and Presley.

Visitation will be held on Monday, July 7, 2025, from 10:00 AM to 12:00 PM in the sanctuary of Berea First Baptist Church with a funeral service to follow at 12:00 PM.

In lieu of flowers, the family kindly requests that memorial donations be made in honor of Payce to support a cause close to her heart. Contributions can be made through the following GoFundMe page:

“ Happy belated Easter! Today me and my mom were driving home from a volleyball Clinique and she turned down the music and said to me " It's almost been a year. How are you doing? " At first I don't know what she was talking about but then I remember that on July 1st late at night I was crying while opening my birthday gift that my sister gave me trying to cheer me up, because our family and many others especially the Chappell's lost one really, really special community member, classmate, teammate, best friend, and the worst ones of all sister, daughter, niece, and granddaughter.

*Pray for the Chappell's while the big one year is coming quicker than anyone could imagine.*

“ Words will never ever describe the feeling of being in a hospital praying continuously for hours that your friend will get through something this tragic. Although she didn't she made me realize so much about myself. I was with her the day before she went to the hospital at a grass volleyball tournament, I remember sitting under the tent with her staring at her food while my mouth watered. I eventually asked what she ordered and went and got it. But i never knew those would be the last moments i got with her. I remember walking out leaving when i turn around to watch her play and she slams it and i just scream “yeah payce!” not knowing that was the last time i would see her alive. To love Payce was to know her, she was so shy but if you were friends she was so funny and had a good sense of humor. I always think of things i could've done differently but i realize that payce lived a good life and she was very loved. God put her on this earth to spread word and show people he's real and she did! She accomplished her mission and then returned home! Payce is home now and i can't wait to see her again someday! I love you forever paycey poo ☐

“ I never new her but she seemed like an amazing person, my best friend was her best friend! So losing someone so special must be so hard! But we need to know she is in a better place right now with God and we need to know she is having a greater life. Though her life was short I hope she had a good life!

“ I never knew her, but from what I've heard about her, she was amazing. I'm so sorry about what happened, but you can be at peace knowing that she is with the Lord. In all her pictures, she has a HUGE smile on her face, and I know that now she is smiling bigger than ever, dancing on gold streets. Keep on trusting God, for he loves her and he loves you so much.

“ Payce was one of my closest friend at Dacusville middle school, she was always there when I came from the elementary in a sad mood. If you could describe Payce it would be hard because she is silly, loving and way way more but I just wanted to say that she had the brightest spirit anyone could imagine so I made tons and tons of backgrounds of Payce and I shared one down below. WE MISS AND LOVE YOU PAYCE! 🏀❤️

“ The picture of me and payce was taken after state testing. Payce would always say she was going to di terrible, but she never did. Payce was the sweetest girl you would ever meet. People say people have a Jesus glow, but Payce truly did. She loved Jesus so much and loved to talk about him to others. We all know exactly where Payce is, she is in Heaven with her Jesus.
