“ April I am lost for words but I know you are up there with Haley having a ball. It hasn't been that long ago since I talk to you. I have knew you since you was a baby. We really had some good times at Sissy and your Daddys. Like I always told you. You look just like your Dad Micheal Nix. The memories I have of you I will always cherish. Your babies are precious and I know you are already looking down on them and Joshua. Just know you will truly be missed and loved. Rip April I Love You baby girl.
