“ *Missie and I became friends in high school. Her parents welcomed me in a treated me like one of their own. When I got pregnant with Michelle, Barbara sprang into action. She knew what I needed and how much. I called her Barbie. She was overworked most of the time back in the day but she always took care of everybody. She will be very missed but I know she was ready to go. No doubt about it Barbie was all prayed up! RIP Barbara Ann..I love you!* ”

“ *Barbara was one of the sweetest people I have ever had the privilege to know and love. I was honored to be called her sister-in-law. We had such a great visit the afternoon before she left to go home in Heaven. I will cherish the words we exchanged and will look forward to our meeting again in Heaven one day. Praying comfort for Missy, her girls and grandchildren in the days and months to come.* ”
