“ Dan, Kathy and family,
My heart is broken for your loss. I have fond memories of you,
Kathy, telling fun stories about the boys as they were growing up.
You are such a special person to me and I know how your heart
must break at the loss of a child. I know you have wonderful
memories of Ben and we have no doubt where he is right now. He is
no longer sick and is resting in Jesus arms.

Love and prayers for your precious family.

“ Our loss of Ben has been a tough experience but his handling of the
days leading served as an example and blessing to us all. Ben's
daily picture of the infectious smile and words of inspiration gave me
something to look forward to as start of my day. Carol and I
discussed how his outlook served as a tremendous inspiration to so
many. At this point all I can do is reflect on his lessons left behind
and smile as he would wish ... fly high my friend

“ For anyone who survived “Castle Grayskull”, this is for you. I was the girl who lived through the frat house. It was awesome! I had constant friends and companionship and loved all who graced our threshold! Benski, Benjamin’, my beloved friend I will always remember you with kindness and blessings through all the years! You shaped my adult-hood much like your mom shaped my childhood. Life is too short! You, Ben, are and will always be a reminder of that mantra! “Life is too short.”

“ So thankful for the memories, the love, the laughter and even the tears we shared, Ben Jammin!! You were one in a billion!! Your first message to me was, "Keep your head on a swivel!" Only you!! 😊 There is a bigger hole in my heart now and so many others feel the same. You left your indelible mark on the soul of every person you crossed paths with. You will not be forgotten. I will cherish our memories til we meet again.
