“ *Fred, Shannon and all the family you are in our prayers. When I would see Mrs. Couch when our boys were in school with Chandler it was if we had known each other forever. She and I had a great time aggravating each other and having fun. I know your hearts are heavy and I pray the God of all comfort will be with you.*

“ Mrs. Betty was always precious with my nursing students. No matter how sick she may have been she was kind and sweet with them. We often had conversations about church and Her sweet daughter and grandson and that " little girl" with Chandler. Happy for her peace and renewed strength in Heaven. Love you all and believing God's peace will see you through.
