

## Betty Batson Masters

July 16, 1934 - December 5, 2019

Betty Batson Masters (Mema)  
Six Mile, South Carolina

Betty Jean Batson Masters, affectionately known to most as Mema stepped into the realm of glory out of this earthly world where she was welcomed home by her heavenly Father with arms opened wide on Thursday, December 5, 2019 at the age of 85.

She had an unending passion and love for her family. Betty is survived by her husband of 66 years, Charles, children; Rick (Frankie) Masters, Pam (Tim) Putnam, and Phillip (Betsy) Masters all of Six Mile; grandchildren; Ami (Timmy) Davidson, Andrea (Tray) Brown, Allison (Brad) Mickler, Sara (Tanner) Rhinehart, Chad (Megan) Putnam, Brett (Jena) Putnam, Melissa (Scottie) Hager, William Masters and Noah Masters, and 14 great grandchildren. She is also survived by her sister Hazel Ellenburg of Travelers Rest.

Betty was predeceased by her parents Jesse Dean Batson and Ollie Lee Wilson Batson, brothers; Allen Batson and Butler Batson, sisters; Minnie Lee "Cricket" Powell and Jane Carson.

Mema was a member of Gap Hill Church of God. There she served in various ministries. One such ministry was the bereavement committee, where she worked with her army of friends to cook and serve meals to countless families in the community as they were grieving the loss of loved ones.

Another way she gave back to others was through her love for children. She

taught Sunday School for many years and devoted her time and home to babysit and helped fashion the lives of young ones while their parents were at work.

Mema was a master seamstress. She utilized those skills by making prayer pillows and blankets for those facing illnesses and/or surgeries. The receivers of these gifts knew that Mema covered these items in prayer with every stitch. One of these selfless sewing projects was her dedication to making gowns and (buying pajamas) for residents at the local nursing home annually for Christmas.

Mema was a powerful prayer warrior! In her selfless service and love of others she shared her faith with all and prayed fervently for anyone in need of prayer. The family would like to thank Manna Health and Rehab in Pickens for their outstanding care and love. They would also like to thank family friend, Sharon Mize, who took great care of Mema daily.

Visitation will be held from 1:00 pm until 1:45 pm on Saturday December 7, 2019 at Gap Hill Church of God with a funeral service to follow at 2:00 pm in the church sanctuary. Burial will follow at Gap Hill Baptist Church Cemetery. In addition to flowers, the family would love to keep the pajama tradition alive by asking you to donate a gown or pair of pajamas to Manna Health and Rehab in Pickens in her honor. There will be a box at the front door available for drop off purposes, as well as, a place to donate at the church during the service.

Mountain View Funeral Home is serving the Masters Family.

“ Betty Masters was a Proverbs 31 woman in the truest sense. Her price to her family and to her Gap Hill community was "far above rubies". She gave so willingly of her talents and blessed so many lives during her years of service through her church. I will never, ever forget how I felt when my family and I returned from Dillard Funeral Home after making arrangements for the burial of my Dad. He had passed late the previous evening, and we met at Dillard's at 10 am. At noon, when we arrived home on Florence Street, Mrs. Betty had miraculously rallied her troops early the next day and our dining room table was filled with dishes lovingly prepared by the awesome ladies of Gap Hill Church of God. I will always remember my overwhelming feelings of gratitude and I choked back sobs, thinking of this precious woman and her coordinated efforts to have a meal waiting for us when we returned. Her ministry to others in their times of need will leave a legacy in the hearts and minds of all whose lives she touched. And now, she sits at the great table with Jesus, completely well and restored. Our thoughts and prayers are with the Masters family.

“ *Betty, Jack and I well remember our years at Gap Hill COG where you poured into us love, prayers, and many Words of Wisdom. When Betty Masters said, “I have a “Word” for you...you KNEW it came straight from the throne room. Only eternity with accurately record the number of lives you touched.*

*And the best way to honor this precious saint of God is to pass on whatever she did or however she touched your life...so pass it on.*

“ She was a very precious lady. I remember her calling me over to her seat to tell me when she started coming to Gaphill. I love to talk to her one time when I was speaking at Manna she called me over to her to give me scriptures on how to raise my kids. That meant so much to me that she took the time to pour into my life. Memories like these will forever be in my heart.

“ Prayers for you all. Mema was such a blessing. Mom and I visited her in the nursing home. Last time at church a few months ago she held my hand and we talked. She will be missed.
