“ *Deepest sympathy is expressed at this very sad time to the family and friends of Aunt Betty. I am so saddened by the news. I am so glad that Mom and I were able to visit her a few times when I went to visit Mom. Rest In Peace ❤️*

“ *I spent a few years getting to know Nana and honestly she was just a pleasure to be around. There was not a day that went by that she did not put her family first and love with all her heart. She was a sweet lady, and she will be missed greatly. She is in heaven now with her family singing and dancing! She has impacted so many lives in her 95 years, and it was a pleasure to know her!*

“ My Mom was a good person with with a great laugh; but she was ready to go see Red, Vicki, Roger, her Mom and brother. Inez, Frances and Mom will be able to go to lunch and have their hotdogs again. She was such an active person. My Mom, Aunt Bliss and I would go into the mountains, stop along the side of the road and stick our feet in a stream nearby. She drove like a maniac, typed like a wizard and made a coconut cake to die for. She loved reading romance novels and her Bible every day, until she had difficulty holding a book. She was sharp as a tac right up to the very end. I talked on the phone with her daily and I am going to miss her terribly.

Because Covid is so bad right now, I have chosen to have a grave side service for Mom in May. I will notify everyone ahead of time. She wanted a simple service by her grave with only one picture of herself, made by her church, The First Presbyterian Church of Easley.

*I would like to Thank you for all your support and warm wishes.
Sincerely, Carol Waters*
