Our move to Pickens in 1964 resulted in a lifelong friendship. Have always valued their friendship, kindness and love. Our best fiends.

“ *My mother jean worked for her and her husband for many years. And they were both the kindest people you will ever meet. They help my mom with anything she needs help with.. And expected nothing in return. And if my mom was still with us... She would tell you she was an EXTREMELY BLESSED person for knowing Rick & Betty..* 💜💙💜

“ Betty was my first cousin. I have very fond memories of us growing up . My mother and her mother were sisters. We visited them lots and they came to our house often. We used to climb up in the loft of that old barn and make a play house up there and would stay up there all day and play. There was me, my sister Jean, Vivian and Betty . We had some great times and great memories
