“ I remember when I first met Buddy. He was young, tall, red headed, and some overweight. My neighbor! Along with his mom, dad, brothers and sisters. A super family that I loved. My husband told me Buddy used to be made fun of because he was so tall and skinny so he would walk around with a jar of mayonnaise and spoon so he could gain weight and they wouldn't make fun of him. He stopped by one day when I went to the mailbox 30 years later. He was just as nice as he had always been. I am sorry for your loss and I know the pain of losing a husband and a brother! My prayers are for peace for your hurting hearts.
