“ My deepest sympathy to all of Billy's family and friends. Billy was a bright light in my life when I was growing up. His personality was contagious.

His selflessness and kindness made a positive impact on my life forever. I wish we could have crossed paths again over the years.

“ I met Billy through Dizzy. And after that there was lots of fun at bike rallies and whatever party.

Haven't saw any of the Parris Boys since Dizzy passed

I lost my sister a couple months back and it's hard. Take it day by day

I have these 2 lighter holders he made
