“ I ran into Bobby and Lynn in Walmart right before the pandemic hit, Bobby and I gave each other a big ole brotherly hug, and talked about the old days and caught up on daily life. I had no idea it would be the last time we would enjoy each other's friendship. We'll miss you Bobby.

Lynn, our thoughts and prayers are with you during these difficult times.

“ My heart is broken. To the lovely family. I grow up with Bobby and his family. Bobby was more like a big brother too me. I have always loved and had a lot of respect for Bobby. I'm not saying goodbye and I'm saying until we meet again my friend. Go rest high on the mountain.

“ Dear sweet Family. This is one of the things we never get used to. We are left here to walk this earth without our loved one. Now words, or even time ever helps use understand how empty we feel without them. But with God's grace and our faith in our Lord, we continue to put one foot in front of the other and continue on, honestly waiting until our time to go to our forever home. I say be ready always , cause we never know the time or day. Much love. Booby was always there for anyone anytime. Always smiling and full of laughter. He will be missed. But he will not be forgotten.
