“ My deepest condolences to the family of Bonnie Moody. I never had the pleasure of meeting Bonnie but I know that she meant the world to Eddie. I could not be there for the services today Eddie but I wanted you and your family to know that my thoughts and prayers are with you and your family on this day of mourning.

“ I loved working with Bonnie. She was so much fun. She had an extremely hard job, but she always managed to do it and take care of the students. After I retired I don't think I saw her in person, but maybe once or twice. I still see her upstairs in the old middle school in the room near the elevator. We would share our thoughts, good and bad about what was going on at school! She was an honest woman and I can still hear her laugh and see those beautiful all-knowing eyes. I always knew how much she loved her family and the Lord. I know that her family will miss her desperately. Holidays will be especially hard, but try to remember that she is pain free now. We will all see her again in heaven. I am so very sorry for the loss of this special lady. Robin McCollum

“ *I've known Bonnie since she was a young teenager. She was full of curiosity an zest. Never a dull moment. She grew up to be a fine Lady of God. She fought a fight till her Lord said it's time to come Home ! I know her Family will miss her an all her friends. She's in a far better place an she's not sick anymore. But she's rejoicing an waiting for her Family to be with her ❤️ Bonnie will be trully missed ! We will see you again Bonnie !! 🤔*
