“ The last few years spending time and traveling with you are just a few of the special memories I have with you. There have been so many from the time we were small growing up until now. I always admired your generous heart and the endless love you shared with whomever you came in contact with. Gone but never forgotten, love you always! Ray, you, the Styles and Mosley families will be in my prayers and love to you all.

Donna White - December 02, 2018 at 05:26 PM
