“ As the song says "Heaven Just Got Sweeter For You" because I know Brenda is singing in heaven today with her Lord and Savior and her loved ones gone on. Now she's waiting for all those left here to join her some day. I know Brenda was a sweet, loving person. I pray for God's comfort and strength for you because I know you hurt because she's gone but I rejoice that she isn't dealing with health issues today. Just treasure all your memories of her. God bless you all and you will see her again. My prayers are with you all.
