“ *This is one of the hardest things to go through. I'm still in shock, and my whole world stopped for a while when I got that message that you were gone. You were my only brother, and I Loved You So Much!!!! I never thought you would be gone so soon, and I would have to do life without you!!!! Our family will NEVER be the same!!!! Please pray for us, especially our Mom!!!! I Love and Miss you so much already*
