

Brett Foster Tinsley

June 8, 1964 - September 27, 2020

Brett Foster Tinsley, 56 of Pickens Father, Son, Brother, and Friend left this world of pain and suffering on Sunday, September 27, 2020.

Brett loved his family and many friends. He was a fun-loving boy who loved all things "Ball". He played all types of sports, but football was his favorite.

Brett also had a love for the Great Outdoors...fishing, hunting, motorcycles, and fast cars. He made memories with his friends that will be remembered and talked about for lifetimes.

In 2000, Brett's dream came true when he became a Father to two beautiful girls. Olivia and Rachel were the light of his life....they were his Sunshine, as he would sing to them for hours at a time when they were babies.

Surviving are daughters, Olivia Dayne Tinsley and Rachel Elizabeth Tinsley of the home, Mother, Glenda Knight Tinsley of Easley, a brother Russ Tinsley (Cindy) of Pickens and a sister Laura Tinsley of Charleston.

Friends and Loves Ones... Take more pictures, Make more memories and love a little harder. Always say I Love You and Never leave a room angry. We aren't promised tomorrow...Celebrate life EVERYDAY, as we will celebrate Brett. A private memorial will be at a later date.

In lieu of flowers, donations may be made to Olivia & Rachel's Education Fund. Checks can be made to Glenda Tinsley, 200 Timberlane Dr. Easley SC 29642 or Vemo @Laura-Tinsley-4 (last 4 digits 9526, if needed).

Mountain View Funeral Home is serving the Tinsley family.

“ I just learned the tragic news of Brett's death. Glenda, I can't imagine how awful it is to lose a child. To you, Laura, Russ, his daughters and all the family, I offer you my deepest sympathy. Perhaps Brett and his Dad in heaven now are working on some projects that always kept them so busy.

“ I have so many memories of Brett from the 20 years together at the Greenville News. Brett was my supervisor, mentor, and friend. Brett took me deer hunting my first time in Ehrhardt SC where the mosquitos chewed me up so bad that when we stopped at the Huddle House to grab a bite before we headed home the waitress thought I had mumps. I still remember Brett laughing so hard. We shared many other adventures throughout the years that followed. Although our life's took us in different directions I always knew that if I needed anything all I had to do was call.
Brett, Rest in Peace my friend.
