“ I got to know Bruce well as we both worked for Grant Ford. Bruce was in sales as I was Service Manager. Later years Bruce worked for the Lannings at Pickens Culvert and Pipe and we remained friends ever since. He was a good man and always worked hard and steady. I just recently found out he was at Mana in Pickens in poor health. I said a prayer for him daily as I passed by Mana . I know he is finally healthy and happy as he is with our Lord! I will see you again one fine day Bruce!
