“ I met Candy last year while she was visiting her mom in Florida! I immediately connected and fell in love with her. She helped me do my windows and was so full of life. She was going to come back this year and I couldn't wait. We had a great time while she was here. I am Praying for peace for her and all her family. This is such a tragedy of a young life but I know God has her and needed her more than we do. I will miss you miss Candy and my you be at peace. Until we Meet again.

“ You will be missed dearly. I have so many memories from working together, going to the lake, your fat baby going with you and you spoiling her, and taking the little Honda civic up to the top at the horse pasture. You always driving with your knee and hardly ever your hands. I love you and I'm going to miss you so much.
