“ Sending love and condolences to you all. Carlton will be missed beyond measure. He was always so happy and I loved to hear him laugh. He truly loved his family and was so proud of you all. His joy was well known and his grand babies were his pride. He always let everyone know he was glad to see them and you truly felt his happiness too. I'm so sorry for your loss but I know he opened his eyes in glory and oh what a happy time for him to be reunited with other loved ones in heaven. I'm going to miss him but I know I'll see him again one fine day! I love y'all so much. You're an amazing family and it's such a reflection of Carlton and Angela's true love for their children and family. God bless y'all.
