“ *Deepest sympathy for all who love Carole. I went to school with her and she has always been a very kind considerate person. A model student and a blessing to those around her.*

“ To the family of Carole,
Please know that my family and myself send our deepest condolences to you all in the passing of your sweet Carole. I have so many special memories of Carole. I can remember when my mom, Phyllis Jones worked with Carole at Walmart for years! I also, remember when I would see Carole when I would go to walmart with my mom to catch the bus for school. Another sweet memory I have of Carole and her husband, is when they got me my first dog Snuggles! Your family has always been very dear and sweet to us. Carole will certainly be missed and Loved Always. On behalf of myself and my family we're so very sorry for your loss and all of you are in our thoughts and prayers constantly! I know that my mama and Carol are both rejoicing together in Heaven now and having the best time catching up with one another!
Sending our deepest sympathy,

“ I worked with Carole at Wal-Mart in the 80s at the old Easley Mall store She was department manager in hardware and paint, and I worked in Electronics "next door." I covered her departments at night and on weekends. So, we had a lot of interactions. I can say Carole was very even keel, always the same, not a moody person. She was pleasant to work with. Her family was the subject of much of her talk. She loved you and was proud to be your wife and mother. You will be in my prayers as you move forward without her. God bless you.
