“ I went to school with Sis (as she was called.) We were best friends. She was in all the Water shows, an excellent swimmer and diver. She was our local Ester Williams. Nobody came close to her Jitterbug moves. She met Bud and ended her Laurel days except for visits throughout the years. I lost contact with her around 2018. We shared life stories but hers always outshined mine, especially her endearing admiration of Skipper (whom i never met personally}. I am sad for myself as there is no one left for me to share 50's memories with. Bye Sis!
