“ Adventurous and a true Matriarch her wisdom was best shown through her stories. She always had a story and plenty of them. It didn't matter how often she told the same story. I was always eager to hear. She provided unconditional love, stability, and emotional support. No judgment or condemnation We met nice people everywhere we traveled. Aunt Cecil would beam with pride to tell them she had 5 boys and all but one had been in the military. I will always be grateful for the happiness and comfort she brought me. Everyone needs an Aunt Cecil. I had 6 Aunts and now only one. I was fortunate.
