“ I lived with Aunt Cherry and her sister with my grandparents during my childhood, she was a sister to me with only 5 yrs age difference. She was a bright light in my life and I followed her around everywhere. We had so many wonderful memories in our younger years, as most family members do , everyone started their own adult lives and moved away. Each and every family member loved Cherry, she was the youngest of 6 other siblings. 3 sisters, and 3 brothers. Both her parents have passed on, as well as 2 of her 3 brothers. Cherry had several nieces and nephews who loved her dearly as well. The heartfelt memories we all shared of Cherry will dwell within us and we are all saddened of her sudden death. Rest in peace our dear Cherry June.  
With love, all your family ! Prayers for Tim & Krystal , Teke and Mitch. Love Wanda ,Michael & Keeley .
