“ Anne was a childhood friend, we had many good times growing up together. When we were teenagers we would walk to the drugstore for sandwiches and cokes. Her mother, Mary, was always gracious to her friends. With her large family I'm sure she had a busy life. Wish I had visited before the pandemic. Rest in peace, my friend. Lovely picture.

I was saddened to hear of her passing. Their household was always busy with me and other friends of the kids visiting and hanging out. She always had a kind word or took time to speak and take an interest. She will be missed. Praying for Greg, David, Scott, Tim and Sharon and their families during their time of loss.
