“ Suzanne, I am just seeing this and thought I'd reach out to say - much love to you and the boys. (and all the grands....) You and Alfred were the fist friends we met when we moved here 36 years ago, we picked you as family since we had none here. Thank you for the memories of laughter and simple mountain life. “ To the family of Alfred
I hated to hear of my old friends passing. I was at Masters Grocery last week and ran into him. The first time I'd seen him in 40 or more years. He was with me on a lot of the Jeep trips to Pigeon Forge Tennessee. We always had so much fun together. My thoughts and prayers are with his family. He was a good one!

“ *So sorry to here about your dads passing. He was a good man and neighbor. He was always there to help if you needed him. My best memories was when we would go horse back riding thru horse pasture and him driving us to work when we both worked at the same place and we would be the only ones to show up to work with a foot of snow on the ground. Prayers to you all. I love ya'!!!*
