“ We are so sorry to hear of Colie’s passing. He was such a notable and knowledgeable person. If Colie hadn’t stopped in the store in 1976 we would never have known any of his wonderful family! He always entertained us when he came to buy feed and visit with us. We loved to watch him ride his horses. He was a character like no other. We know the suddenness of his passing makes this even more difficult to comprehend. Our thoughts and prayers are with you in this time of grief. Much love to all of you!

“ Our condolences to Mrs Stancil & family we're praying for you in the loss of your loved one. Met Mr. Colie Stancil by working with him at ONS Nuclear Station and there were many good memories of being a co worker seeing him day after day. You tend to remember people like him due to his courteous and friendly ways.
