“ First time I remember seeing my uncle Cecil we went to his farm with all the land and I remember him riding up on a big black horse. I thought that was just absolutely wonderful as much as I love horses. He looks so big tall and strong sitting up on that horse.

“ I knew Cecil from the Pickens Senior Center. He & Evan always sang together. Special, sweet, caring man. I miss him already. But I know where he is!

“ Ruby, Scott, and all the family,  
I was so sorry when I got the message that Cecil had passed. I have many good memories of making music with him- especially at Joe's cabin. He was quite a character. I loved to "aggravate" him and he loved to give it right back! He had a great tenor voice- when we could get him to use it! I'm so thankful God allowed him and Ruby to cross my path. They have been a blessing to me. Sending my love and prayers to all of you.
