“ Just saw this. I met Boone in France in 1963 when I was assigned to "C" Company, 249th Engineer Battalion, US Army. Boone was the Company Clerk and a good friend and we always talked about home and Sharon Thrift, the girl he loved and hoped to marry when he returned to SC. Boone left the Army but I remained for 26 years and had occasion to stop in Pickens passing through one time. I know he and Sharon visited my Family in Tennessee and they also visited Pickens at least one time. I never saw him again but did talk to him a couple of years ago by phone. Boone was a gentleman, and and I know his family and friends will always have a void in your life after his passing. Lonnie West, Sergeant Major, US Army Retired.

“ *I am so so sorry for your loss. Boone was one of a kind. One of the things I loved about Boone was his love for animals. He loved his fur babies so much. He always had some awesome stories to tell from his road trips. You will be missed greatly. He is up in Heaven now taking care of all his fur babies from over the years. Don't you know he had a huge smile on his face when he saw all of them. I know Boone and daddy have had some catching up to do in Heaven. RIP sweet soul. I love all of you with all my heart and if you need anything please let me know*
