“ I hope you all know how much I have prayed for you and how much I do care. I wish that I could be there but I feel this appropriate. I hope today brings you blessings and you feel his comfort all around you because he definitely wanted to be better than things ended up. And I know he loved all of you because that’s how I knew who to get in touch with when the time was right. Rest In Peace Daniel. You truly don’t know what you got til it is gone.
