“ I'm so sorry for the family's loss. Kellena, I know it hurts. And I can't say that it will get better with time. Losing someone you love as much as you loved him is never easy and some days will be really really really hard. But I know you're strong and I know right now it doesn't seem like it but you are. To his parents, losing a child is also never at all easy and I'm so sorry you're going through this. There is nothing that can be said to ease your pain but I will pray for all of you.
