“ *Deborah was such a kind soul. I knew her long before I met her wonderful daughter Nicole. There was never a time that she didn't have a smile on her face and a warm greeting. She reminded me of my mother. Selfless and one of a kind. My prayer is that the family can find comfort with each other. I will truly miss Deborah's humor and beautiful smile. Many prayers for this wonderful family.* ”

“ I am so sad to hear about Deb's passing and we will be praying for all of you. I have fond memories of her smiling face and patience as all those children filled through the lunch line each day. I believe she knew every one of them by name. I also remember her as a wonderful mom to a couple of first graders. Nicole, she was concerned about you being shy, and Cory, her concerns were for quite opposite reasons. 🤔 I don't remember that either were a problem, but I enjoyed getting to know your mom as a parent. Love and prayers for you all.
