“ *In 2019, I walked into a job interview at C&S. Dennis was the supervisor who interviewed me & hired me. I will forever be thankful that God put us in each others paths. He taught me so many things when we worked at the Mauldin, SC facility. Even when he moved to Hammond, LA- he was still my go to guy! I wish I would have gotten to tell him the reasons why landing that job meant so much to me... He probably never knew, that giving me the opportunity, played a vital role in my life taking a turn for the better! He loved his family... he talked about them often. I am blessed to have had a friend like Dennis. I will always remember him.*

“ Saying goodbye to someone you’re close to is heartbreaking. May you find comfort in all the special memories. Dennis will be greatly missed but his warmth, kindness, and gentle spirit will be remembered forever. There was never a day that he didn’t have a smile on his face. He always wanted to help everyone. He was not just an awesome co-worker but an awesome friend. Rest easy, your work on earth is done.

“ Dennis was a really nice guy. I will miss riding on the golf cart with him in the mornings, and how good he always smelled. His easy going way of speaking and kindness made you feel like you were talking to an old friend. I can't say just how sorry I am that he was taken so soon. My thoughts are with his family, and I pray they are able to keep the good memories alive.

“ Dennis, we enjoyed you being apart of the C&S family and you will definitely be missed. Thank you for giving me the opportunity to enjoy our breaks together. We talked and laughed about everything. You were my ear when I needed to vent and that smile you wore made my day a lot better. Rest easy my dear friend, we will take it from here.

“ I am from Pittsburgh and I met Dennis on a Facebook page last October. He quickly became one of my best friends. He loved his family and was looking forward to seeing you all this month, I'm so sorry that didn't get to happen. He really helped me when I was down, and I hope I did the same for him. We planned on meeting face to face this year but sadly that will have to wait now. Sending hugs and condolences to his friends and family who will surely be missing this treasure of a human being. I was so lucky to get to meet him and have him in my life if only for a short time, Bless your heart Dennis.
