Dewayne my life long friend I don't know where to start to tell of our friendship . We sure had some good times along with the bad ones but we never really had a bad day between you and me . You were more than my friend of 53 years that we've known each other you were a brother to me, and I will truly miss you. And to Phyllis, Roxanne, and Eric if there is anything you need from me please don't hesitate to ask anytime about anything because you're all like family to me too. Rest in peace my dear friend til we meet again . I love you and will always have you in my thoughts and prayers .
