“ Pam, sorry to hear of Pat's passing. We Bowled in the same league on Thursday nights for years in the 80's and early 90's. I remember seeing y'all together at Oconee Lanes right after you and Pat met. I told Pat this is going to be your Wife and to never let her go. You would probably remember m if you were to se me. I ran into Pat in Walmart a year or so. We chatted and I told him I would be praying much for him. He was an awesome guy and an awesome bowler. Mwa God's mercy, grace, love and peace be with you. We sure will miss him.

“ Pat was our mailman. We became friends through him delivering our mail. On the times when I would see him, i would go meet him and we would talk him bowling and me playing poker. One year, he invited me to go to Las Vegas with him. He was in a bowling tournament that he did very well in. I played poker. I probably never would have gotten to Vegas without Pat's invitation. He was a good friend.

“ The Grogan family is so incredibly special to the Wallace/Amerson/Zeller family. Pat always has such a cheerful, loving and kind disposition that he passed through his lineage. When I think of the Grogan’s- I see Pat’s sweet smile on each of their faces. I see him showing up at every baseball field for every game for countless years. Pat will be deeply missed by us, and certainly all that knew him. I’m grateful for the legacy he has left behind in his children. He has certainly made the world a better place. He rests in the arms of Jesus and I can imagine that the Lord welcomed him with a large grin and a “Well done thy God and faithful servant.”

“ I met Pat in Las Vegas at a bowling tournament. He had an instant and lasting impression on me. I will never forget him. He was dealt a lousy hand with medical procedures which created a downward spiral. I look forward to meeting him again in Gods bowling centre. R.I.P my friend.
