“ *I have nothing but fond memories of Don. I remember us cousins playing in the pasture between his house and Aunt Mog's. And trust me, there were plenty of cousins! I didn't see Don for many years until Luke brought him up to the family dinner at Harold's. I think that I was happier to see him than anything else that day. All of our Aunts and Uncles are gone now, and it seems like we are losing quite a few cousins. I know that we lost a good one here. Rest easy Cuz.*

“ To the family:

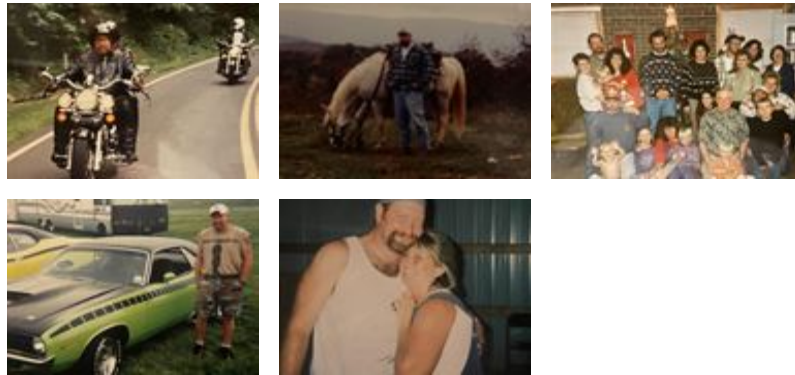

I am so sorry to hear of the passing of this precious man. I went to school with Don from elementary to high school and can recall all the wonderful memories of him. He had an infectious smile and could always cheer everyone up around him. My thoughts and prayers are with your family during this time.

“ I’m very saddened to hear of Don’s passing. We spent countless hours together growing up. He and Bill and my brother Chris and I were all like brothers. I’ll never forget Don’s humor. It was his trademark. To his boys, Irene and Steve, and the rest of his family I pray that God gives you comfort during this time. I’ll see Don again one day and I’m sure he’ll have a snappy line or funny story to tell me.
