“ Prayers for comfort for all the family. Donna and I grew up together in the same neighborhood and attended school together until we moved when I was in the 11th grade. We kept in touch through the years and reconnected a few years back when my Mom and her Mom were both living at the Commons in Easley. Lots of special memories of our times together.

“ Donna and I grew up together. When we were kids we lived on the same street. We went to grammar school together at East End School. I'm so sorry about your loss. We also graduated high school together, Class of 1963 Easley High School. This breaks my heart. May God bless each of you during this time. I loved her so much.

“ Nabors family,  
I am so saddened at the passing of friend Donna. I'll remember her laughter and sweet gentle spirit and her love of nature. We had memorable times at Montreat and shared a love of organ music and concerts. We enjoyed tramping through the woods identifying plants and marveling at their beauty.  
Sincere condolences to family and friends as we all mourn her passing. I loved her!

Donna and I also attended the same schools from 1st grade through graduation. Our daughters were in school together here in Pickens. She was a gentle, sweet soul and I know she is with God and there are no more of the worries, fears or pain that we face in this life. Loved her.
