“ Donna Kay has been a life long friend through Uncle James and our belated Aunt Florence. We would visit her and Poochie as children and play together. Donna Kay has always been so kind and caring. Just as she was in June when I saw her last. Praying for Gods Love and Comfort for each of you in the days ahead.

“ Donna has been a friend for 25 years and was a wonderful Memaw to Dani. She was such a family person and could cook better than anyone I know. She was happiest at church and when surrounded by the noisy chaos of family and friends. Now she is living the best life ever surrounded by her Heavenly Father, Mack, Poochie, LeAnn, and others she loved. Huge loss for her friends and family but huge gain for Heaven! Donna, I will always miss you!

“ *I'm gonna miss Donna so much. She and I would sit and talk like I did with Poochie.
it's hard to believe she isn't here anymore. She often talked about how much she missed Poochie and LeAnn and her other family members. Im sad she's gone but I'm sure they are all together now in heaven*
