

## Douglas "Dougie" Grant Jr.

September 15, 1965 - May 2, 2025

Douglas "Dougie" Grant Jr.  
Pickens, South Carolina

Douglas "Dougie" Grant Jr., of Pickens SC, met Jesus on Friday, May 2nd, 2025, surrounded by a room full of love. Doug fought a brave fight with health issues and remained hopeful and amazingly strong through the very end.

Born in Pickens County on September 15, 1965, to Douglas and Mary Grant Sr., Doug began his life of being a loving son and a baby brother to Karen, his very first friend. Those two roles remained of importance to him throughout his whole life as he shared precious bonds with each of them.

The best daddy there was, Doug spent his life ensuring his children were always taken care of and that they knew his love for them. He did an amazing job doing so. A proud "Papa Doug" to his grandchildren, he attended all sports and special events for each that he could. He always enjoyed the time he could spend with each one and they never had to question his love for them.

Doug was a friend to many. A true, genuine friend. Many of his lifelong friendships began as a child with his cousins. Doug began working for Cryovac Sealed Air in the 90's and remained a dedicated employee until health issues forced him to rest. Many special friendships came about

throughout the years employed here, turning several coworkers into brothers. He cherished the friendships he made throughout his life and spoke highly of each one. His family would like to extend their appreciation to all of his many friends as well as their deepest condolences to each one. The family acknowledges the huge loss each friend is feeling as well.

Doug is survived by his parents, Doug and Mary Grant; his children Travis Grant (Molly), Amber Grant (Kelvin), Brandon Grant, and Courtney Grant; grandchildren Blake, Kaylee, Niyonna, Londyn, Kash, and Brentley. He is also survived by his sister Karen Grant Winchester (Rick), niece Erin (Stewart), nephew Jesse (Rachel), and special great nieces and nephews whom he loved. "Uncle Doug" was another role he had in life and he did it well.

Doug received the gift of salvation when he was younger and recently professed his faith again where he also expressed how well the Lord was gifting him peace and comfort in his mind and spirit. All the broken hearts that Doug left behind are devastated by his passing, while equally comforted knowing that he was welcomed into Heaven after his final breath.

Visitation will be held on Wednesday, May 7, 2025, from 2:00 PM until 3:00 PM in the chapel of Mountain View Funeral Home in Pickens, with a funeral service to follow at 3:00 PM. Burial will follow the service at Hillcrest Memorial Park in Pickens.

Mountain View Funeral Home is serving the Grant family.

“ I am extremely devastated to just now learn of Doug's passing. I thought the world of Doug although we lost touch with one another a few years ago. I have no words for what I'm feeling in this moment. The friendship Doug and I shared at one point of my life and his was so important and precious to me. Doug was someone who was so trustworthy and special. He was always so dependable and a person you could always lean on. I will truly miss Doug and will always regret missing the chance to say goodbye/see you later. To his parents, you raised an amazing son that touched so many and always put others ahead of himself. He will truly be missed as much as he was loved.

“ Doug, Mary and Nyonna; I am so sorry to hear about Dougie. I can't remember my first meeting of him, but I remember so very well realizing he was the son of two of the best people I have ever been blessed to know. Through the Grace of God my deceased wife, Linda, and I have shared a beautiful, sweet great-granddaughter Nyonna with you. Of course I remember Doug through his friendship with my brother Bill. and got to know Mary when you were working at Dillard Funeral Home. I always enjoyed talking with Dougie whenever I saw him while I was hunting on your property. I am so sorry that I was unable to attend his service, but we know that Dougie and Linda are rejoicing together in Heaven right now and for all eternity, and one day we will be there with them too. My thoughts and prayers for the three of you. Mack Trotter

“ I first met Doug when I went to third shift at Cryovac in 1997. He was the real deal, a true friend and I thought the world of him. He encouraged me, gave me good advice, and looked out for the new rookie on third shift. Doug was always easy going, always had a smile, and tried to make the best out of any situation. I enjoyed him telling me about his coon hunting days, we shared many a laugh and good times. Doug loved his family and was always telling me about his kid's ballgames. I am so sorry for your loss. I am thankful that the Lord allowed me to meet Doug Grant and become his friend. I am heartbroken but I know I`ll see him again one day. Thank you, Doug, for being a TRUE friend to me. You are going to be greatly missed brother.

“*Dougie was my cousin who blessed me by his continual kindness. I would see him at basketball games over the last few years, And he was always the same ... kind and gentle spirited. He would greet Steve and me with a smile and laughter. He and Steve would enjoy one another in conversation about sports. Growing up as youngsters, I would carry Dougie on my hip as if he were my own little baby boy. What a cute blond headed baby he was. Oh how special he was to me! Thank you Dougie for always being you.*”
