“ *Douglas,...mannn ohh man!!! Yu were such a great man!! I hate being here without yu. It feels so weird! But i do believe yu were put here to teach us all a different way to look at life and a new attitude. Bc honestly I wouldn't be the same person I am now if it weren't for yur perspectives on life. Yu were like a father to me! Idk how i will do it but life will go on. Ik that an ik yu wouldn't want yur death to be mourned only yur life to be celebrated so thats what I will do. I miss yu more Than I thought possible and I love yu!!*
