“ To Lee, Cherish, Matthew and the entire Hunter family, I want to send my sincere condolences for your loss. I feel truly honored and blessed to have spent so many years working together with Eddie at Ace. He meant so much to me personally and to the entire Pickens community. His sense of humor was second to none, but his generosity and true desire to help people is what stood out to me the most. He made it his mission to always take care of the elderly or anyone in need. I learned so much from working with Eddie and considered him not just a co-worker, but a true friend. You are all in my thoughts and prayers.

“ I am so sorry to hear about Eddie's Home going. I've known Eddie for a long time. I worked with him at Ace while I was in High School and he taught me so much. Myself and many others called on him regularly for help answering questions for customers. There is no doubt in my mind that he made a large impression on the people that live in Pickens. Anyone that ever shopped at Ace knew who Eddie was. I owe a lot of what I know today to that man. I will keep you all in my prayers. Just know that as long as you've also accepted the Lord as your personal savior you will see him again one day.
