“ We were very sorry when Ed and Joanne announced they would be moving from our neighborhood. They were dear friends to me for 20 years, the first to welcome me to The Villages. The memories of good times together are countless. We were heart broken to hear of Ed’s passing, but we know he is in the arms of the Lord, and we look forward to being reunited with him someday.

“ I had the good fortune to be Ed's neighbor, friend and golfing partner for 19 years. He was a man of honor who always had a smile on his face, was always enjoyable to be around, and could always be counted on if anyone needed help or assistance of any kind. I feel very fortunate to have known Ed and Joanne and consider them both to be very valued friends.
