“ Please know that during this sad, sad time (for us; happy with Jesus for Elaine) you are in my thoughts and prayers. I'm sorry that I can't be there, but prayer works from any location. Even though I was never fond of eating them, I will always remember the mud pies that Elaine and I made in Duke's (Is there any other kind?) mayonnaise jar lids many years ago. Also, I will always be grateful for the time I was able to spend with her after Curtis' service, when I first learned of her illness.

Love, Prayers, and Condolences,
