Elijah Lei Hunter "Lij"
Easley, South Carolina

Elijah Lei Hunter "Lij", age 17, passed away on Tuesday, June 6, 2023.

Born July 30, 2005, in Easley, South Carolina, Elijah was the son of Jerell Williams and April Lee Hunter of Easley. The best ways to describe Elijah are endless, but no doubt Elijah was born just bursting with energy and laughter. He loved to prank any and everyone, but he just kept everyone around him laughing constantly. He absolutely loved being around people and his friends although his true best friend was home with him everyday, his older sister Oliva. She was his and he was her entire world. There was this closeness between them that was instantly obvious that nothing or no one would ever break.

Elijah also absolutely loved music and danced probably more than he walked. But he did put that energy to good use as well. He went on mission trips to New Orleans, and he would go from helping little kids on the playground to feeding the homeless to doing yardwork to help and never slow down or complain. At three years old he took his first ride on a four-wheeler and was in love with anything with wheels on it. It did not matter if it was a four-wheeler, dirt bike, or motorcycle, it showed in his eyes that his soul found his real

passion. Elijah was a beautiful person with a huge kind heart, and he will be missed by so many people!

In addition to his parents, Elijah is survived by his siblings, Camdon Williams, and Oliva Pearl Davis; a nephew, Kyngsten Holcombe who made Elijah an uncle just four months ago; his grandparents, Kirk Hunter, Ramona Hunter, James Blassingame, and Doretha Johnson; and a host of cousins.

A visitation will be held on Monday, June 19, 2023, from 3:00 PM until 5:00 PM in the chapel of Mountain View Funeral Home in Pickens.

“ *I knew Elijah has Lodge and he was always come to my house with his sister Olivia. A very very quiet young man who smiled all the time and he loved my fried chicken and macaroni and cheese. When they would leave I will always tell him to take a plate along with his sister Olivia. Lodge will be missed especially that smile and knowing how much he loved my grandson Kingston and his sister. We gathered at my house in remembrance of him last Sunday it was funny cause my lights start flickering on and off no one was at the switch and I said Lodge leave me alone and everybody just laughed. A great young man fun to be around and I love him dearly even though I go fussed at him just like I would my son he was and still will always be a part of my family*
